

ENGAGEMENT SUMMARY

The planning process has been based on engagement with over 1,000 people and more than 60 different meetings and events, building on the extensive engagement that took place prior to and during the design competition. The full Community Engagement Report can be found at www.umanitoba.ca/campusplanning

Methods

- Community Conversations (small group discussions)
- Events (open houses and displays)
- Online engagement (feedback tool, event notifications on Twitter)
- Neighbourhood Network (regular meetings with surrounding neighbourhood residents)
- Project working groups and committees
- Administrative and academic bodies
- Collaboration with Indigenous peoples
